William "Bill" Plante

The William P. Plante Memorial Fund Committee will host "Rockin' It For Bill," an 18-hole golf tournament Friday, July 17, 2026, at Willowbrook Golf Club in Watertown on to benefit the work of the Volunteer Transportation Center!

"Rockin' It For Bill" is an annual event hosted each July since 2017, honoring the life and philanthropy of the late William P. Plante, who was deeply involved in serving his community for more than 30 years until his passing in 2016 after a brave four-year battle with cancer.

Since the William P. Plante Memorial Fund was established in 2017 through the Northern New York Community Foundation, community projects and organizations have received funding to the tune of more than \$100,000. The fund also raises money for local students who demonstrate a similar passion to community service.
