ABOUT THE VTC

The Volunteer Transportation Center provides non-emergent medical transportation for your neighbors who otherwise would not have access to vital medical appointments and life-sustaining services in Northern New York.

In 2021, VTC volunteer drivers provided 26,711 charitable trips over 1,073,435 miles in Jefferson, Lewis, and St. Lawrence Counties. Of those miles, 470,002 helped those in Jefferson County, 151,954 in Lewis County, and 451,479 in St. Lawrence County. That equated to approximately \$477,679 in mileage reimbursement for our volunteers. Data for 2022 is still being compiled.

We thank you for participating in the cook-off as your support helps the VTC continue improving the quality of life for residents of Northern New York ... particularly the veterans we at the VTC proudly assist and their families!

ABOUT THE COOK-OFF

Don't miss all the fun as we host our first hybrid version of the annual North Country Chili Cook-Off this month, starting with our "pub crawl" format Wednesday, Feb. 1, through Wednesday, Feb. 22, at participating restaurants throughout Jefferson, Lewis and St. Lawrence Counties!

This year's "pub crawl" format again encourages people to visit participating restaurants in the tri-county area to try their chili and vote for their favorite. Voting will again be possible by paper ballot or through our website until Feb. 22. The restaurant with the entry receiving the most votes will get a special plaque recognizing them as the winner of the highly-coveted People's Choice Award.

In addition, because this is a fundraiser for the Volunteer Transportation Center for rides it provides veterans and their families, there will also be a contest for the Top Fundraiser Award. Donations will be gladly accepted at all locations.

This will all lead up to the return of our in-person event at the Dulles State Office Building in Watertown on Saturday, Feb. 25 — something you won't want to miss!
