

ABOUT THE VTC

The **Volunteer Transportation Center** provides non-emergent medical transportation for your neighbors who otherwise would not have access to vital medical appointments and life-sustaining services in Northern New York.

— In 2022, VTC volunteer drivers provided **26,487** charitable trips over **878,240** miles in Jefferson, Lewis, and St. Lawrence Counties.

— Of those miles, **376,604** helped those in Jefferson County, **137,743** in Lewis County, and **363,893** in St. Lawrence County.

That equated to approximately **\$439,120** in mileage reimbursement for our volunteers.

Data for 2023 is still being compiled.

We thank you for participating in the cook-off as your support helps the VTC continue improving the quality of life for residents of Northern New York ... particularly the veterans we at the VTC proudly assist and their families!
