St. Lawrence County Public Transit and Volunteer Transportation Center team up to bring you the First Mile Last Mile (FMLM) program: A way to connect riders with the bus.

How does it work?

1. Call

At least two business days in advance, call 315-644-6944 between Monday-Friday from 8:00 a.m. to 4:00 p.m. to arrange a ride.

2. Ride

Catch a ride with your volunteer driver to the bus stop.

3. Connect

Ride the bus to and from your destination for \$2 each way.

4. Return

Meet your volunteer driver at the bus stop and complete your trip with them.

Note: FMLM trips may be requested for any time that a bus is available for a connection. Trips requested to begin before 6:00 a.m. or after 7:00 p.m. will be dependent on volunteer driver availability.
